☒

Multiple formats

All YouTube data included

Next step

4. On the next page, leave all settings to default and click “Create export”; the settings should match the screenshot below.

2

Choose file type, frequency & destination

Destination

Transfer to:

Send download link via email

When your files are ready, you'll get an email with a download link. You'll have one week to download your files. [Learn more](#) about how to locate, access, and share your data.

Frequency

☒ Export once
1 export

☐ Export every 2 months for 1 year
6 exports

File type & size

File type:

.zip

Zip files can be opened on almost any computer.

File size:

2 GB

Exports larger than this size will be split into multiple files.

Create export

5. When Google emails you that the export is ready, return to Google Takeout. Under **Your exports**, click **Manage exports**.

6. Check how many numbered parts are listed. Click **Download** (or **Download again**) for **every part shown** - Part 1, Part 2, and any additional parts. Keep the downloaded ZIP files separate.

7. Upload each ZIP separately in the survey:

- In **YouTube Part 1 - My Activity**, upload the Part 1 ZIP containing My Activity.
- In **YouTube Part 2 - YouTube and YouTube Music**, upload the Part 2 ZIP containing YouTube and YouTube Music.

Do not select both ZIPs in the same upload question. Do not unzip or rename them.
